

Sunday Sept 23<sup>rd</sup>

Dear Geoff. I wrote yesterday by  
air mail to thank you for a parcel  
we are having some of the bacon to-  
day, & the flour looks lovely. & we  
thank you for all. Dorothy has stood  
the operation but will be very ill for  
a month, she was not allowed to see  
Eric, but he hopes to be allowed tomorrow.

We went a nice short drive with  
Harold & Barbara. They had a  
children's party yesterday. Monday  
I got called off. Was very pleased to  
receive your & Amaret's letter this morning.  
We are enjoying the ham, boiled & cut  
very thin. I gave Mrs Felton some for a  
treat. She does work so hard, she made  
us some tarts wh. saves me, & cleaned win-  
dows, scrubbed back kitchen - comes at  
9 punctually & leaves at 12, she cleans

\* lights ditcher fire etc & we give her  
6/8. Her boy had 6 day old chicks, but  
one flew up against the wire, & another  
has since died, very disappointing for  
eggs are so do dear & we cannot get  
powdered ones, only Confectioners can

get those so we are very glad when B can  
lets us buy hers for they are so large. I hope  
your road is right again. The beans sound  
like fairyland. We have not heard  
from the home yet, E. is decidedly  
better she walks better & can do  
messages if she likes.

With much love to all
