

August 9th

Dear Geoffrey & all. I was delighted to get all nice letters, photos & Amaret's interesting booklet. The photos all so clear & some funny. Freda's were wonderfully distinct & I often look at them, the dog is facing at each person so separate. I liked the children opening parcels. do not let them learn to read too soon as I feel sure young eyes need larger vision. Amaret too is good she must have had great patience to compile such a volume & it will be a real keepsake. I am much better & can get out of bed & walk round the room. holding on

Slightly to furniture. All are
very patient good & kind, May
& Edith all day & Barbara too -
I have still lovely roses, & have
window wide open day & night.

Very wet at times then clearing
I hope you are having it finer.
What a lot of strawberries
& rather backaching. But lovely.

Jeffrey comes to see me every
day, he has been painting his
boat ready for the holiday.

I would like to see the 2 meadows.

Next letter will be ordinary
post. I wrote Freda by that

but expect this will arrive

First I thank you all very

very much - dear love to you
all from Mother -

"Snooks Song" Parents Day
honour & they are having
a concert in the afternoon.

Mother greatly enjoys your
letters & the photos. I've not
seen Annet's Book of the
Year as I want to get this
posted right away. Mother
says it is really excellent!

We hope to go away on
19 Aug. The Ol Saps I will
be quite alright for us to
go. Jeanie offered to come
stay at no. 3. but they
prefer to be on their own.
